

A STORY OF RETURN

DANIEL OLALLA

SINGER-SONGWRITER · MENDOZA, ARGENTINA

After more than a decade of silence, he returns with «Fui Hallado», an EP inspired by the greatness of a Father who runs to meet the son.

BIOGRAPHY

Daniel Olalla, from Mendoza, grew up among strings, keyboards and songs, surrounded by choir directors, worship leaders and ministers. In 2010, shortly after marrying Nabila, he released his first album «Mira al Cielo», which led to tours in Brazil and Portuguese versions.

The arrival of his children Kadima and Lorenzo led him into a deep time of intimacy with God. He chose to stop his debut when everything indicated a rising musical career, and to wait for His direction. In that silence he found what the stages could not give him: *depth, intimacy and purpose.*
